Shri Sayon Bakshi
SACT, UCC

Shri Manas Karak
SACT, UCC

Shri Shubhadeep Ghosh
SACT, UCC

Dr. Rama Nag (De)
Associate Professor
IQAC Coordinator - UCC

Dr. Kaberi Karmakar
Convener, Seminar Committee, UCC

Shri. Tushar Sonkar
Student's Representative—UCC

CHIEF PATRON

Shri Vivek Gupta
President of G.B.
UCC

CHIEF GUEST

Prof. (Dr.) Rasajit Kr. Bera
Retired Professor
Heritage Inst Technology

Prof. (Dr.) Subir Das
Professor, IIT BHU Varanasi

GUEST OF HONOUR

Dr. UTTAM GHOSH

Assistant Professor,
University of Calcutta

&

Prof. (Dr.) K.S. Tiwary
Professor, Raiganj University

SPECIAL GUEST

SPEAKERS

Prof. (Dr.) Subir Das
Professor, Dept. of Mathematical sciences
IIT BHU, Varanasi

Dr. Uttam Ghosh
Assistant Professor, Dept. of Mathematics
Calcutta University, Kolkata

Prof. (Dr.) Rasajit Kumar Bera
Retired Professor
Heritage Inst Technology

Prof. (Dr.) K.S. Tiwary
Professor & Head, Dept. of Mathematics & Dean
Raiganj University, West Bengal

NATIONAL SEMINAR

Introduction
of Statistics in Probabilistic
Approach

and

Study of Memory Effect
Through The Eye of
Fractional Calculus in Prey-
Predator model

Introduction of Statistics in Probabilistic Approach

Statistics is the science and practice of developing human knowledge through the use of empirical data expressed in quantitative form. It is based on statistical theory which is supposed to be a branch of applied mathematics. Within statistical theory, randomness and uncertainty are modeled by probability theory. Because one aim of statistics is to produce the "best" information from available data, some authors consider statistics a branch of decision theory. Statistical practice includes the planning, summarizing, and interpreting of observations, allowing for variability and uncertainty.

Registration

The registration fee for the seminar is

Rs. 100/-

for all. Please confirm your willingness for

participation and registration through email by

13th DEC
2022

CALL FOR PAPERS

Dear Colleagues, With utmost regards to all, the undersigned have the pleasure to state that the Dept. of Mathematics, Umeschandra College, are going to organize a National Seminar on "Introduction of Statistics in Probabilistic Approach" and "Study of Memory Effect Through The Eye of Fractional Calculus in Prey-Predator model". Eminent academicians and scholars would grace the occasion and their erudite presence and deliberation would make the seminar more thought provoking and enlightening. The organizers invite papers from the Faculty, Researchers, Freelancers, Academicians and Students on the above theme or sub-themes. An abstract of 200-250 words must be submitted to the mail id uccmathseminar@gmail.com within 13th December 2022. The full paper has to be submitted in the same mail ID in MSW/AVRO (12/14 Fonts) word limit 3500-4000. Power point presentation would be encouraged. The selected papers might be published in book / journal with ISBN/ISSN Numbers.

Dr. Md. Tofazzal Haque
Principal, UCC
